Meeting with Planning commissioner Bill Lee, Citywide senior planner, David Alumbaugh, Community Development/citywide Division Planning staff Kearstin Dischinger.

Agenda:

- Overview of San Francisco City Planning
- Presentation on 10 year capital planning program
- Discussion on long term plans on the city's growth and development
- Question and answer period
- Power point presentation on the 10 year plan by DPW staff. Two staff members from our long-range Planning have been engaged to address long term issues in growth and management. Any additional requested topics can be discussed by our Planning Commissioner.

10 members of the delegation will attend this meeting.

Transportation: Taxi
